NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 23rd ultimo inclusive will be found at page 589.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines Retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR *of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the* ADMIRALTY, WHITEHALL, LONDON.

*** *Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be* post paid, *in order to ensure attention, but it is more convenient to address to the Editor* direct, as above, *upon such subjects.*

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.*

By Command of their Lordships,

GEORGE TRYON.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary of the Admiralty for the forms as to services, claims, circumstances, &c. required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to retired Officers of long service who are old, infirm, "wounded, or disabled," and in poor circumstances; the periods of service, &c. required to render them eligible are shown at page 625 of the Queen's Regulations and Admiralty Instructions of 1879.

ROYAL UNITED SERVICE INSTITUTION.

The following is the subject for the Essay for the present year:—

"On an outbreak of war, what is the best organisation for distributing the *personnel* of the Navy and of the Reserves among the available war vessels, and among a proportion of merchant vessels as an auxiliary to the Navy?"

Whitehall Yard, London,
1*st January*, 1883.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1879.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *see* p. 482.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbars, Processions, and other Public Ceremonies in India, a distinctive place will be assigned to the Senior Naval Officer on the spot in the absence of the Commander-in-Chief, without reference to relative military rank.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of Governor. But the alteration of circumstances rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces:—

a. The Senior Officer in command of the troops, if the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if the rank of Colonel or Lieutenant-Colonel, and the officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to be of such rank, as has heretofore been the case, next after the Solicitor-General.

In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadets.

If a Cadet is reported for unsatisfactory conduct during his final term he will be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

Any Cadet who shall appear to their Lordships for any reason to be unfit for the Service will be removed from the "Britannia."

15. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration on the admission of the Cadet to the "Britannia" to the effect that he shall immediately withdraw on the receipt of an official intimation of his being considered unfit for the Navy.

Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out afloat, the practical use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects will be shown distinct from those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final Examination, and also displays a competent knowledge of the subjects taught in the Dockyard Schools.

25. The Examination of the Sixth-Year Students is to be held in time for the necessary Certificates to be forwarded to the Admiralty on or before the 23rd of June in each year, and it will include tests of their skill as workmen. 26. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during such year of probation will be the same as during the sixth year.

27. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Naval Service by the Medical Officers, and have learned to swim.

All will be examined under the direction of the President of the Royal Naval College on the completion of their course at Greenwich, and will receive Certificates according to their merit, in three classes. Those who obtain First Class Certificates will receive Commissions dated the same day as their Acting Appointments. Those who obtain Second Class Certificates will receive Commissions dated six months after the date of their Acting Appointments, and those who obtain Third Class Certificates will receive Commissions dated the day after their discharge from the Royal Naval College. 30. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their course at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more sessions at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill vacancies occurring in the Dockyards and at the Admiralty.

course at the Royal Naval College and the completion of the Torpedo course. The total amount of vacation hitherto granted is not altered.

II.—*Special Half-Pay Class.*

One class will be held in each year, to commence the first Monday in April, for officers on half-pay desirous of obtaining a general knowledge of Torpedo warfare. Immediately after the above a course of instruction in Gunnery for Officers of the rank of Commander and upwards will be held on board H.M.S. "Excellent."

III.—*Lieutenants' Courses.*

Three courses of instruction in Gunnery and Torpedo will be held in each year for Lieutenants.

Officers will be on full pay; they will be appointed on the Saturday preceding the second Monday in January and April, and first Monday in October, to "Vernon" for the short course of Torpedo instruction, which on completion in eight weeks' time they will be considered to the books of the Gunnery Ships for the course of Gunnery instruction, which will remain as heretofore; an additional seven days will be allowed to the November Gunnery course for Christmas vacation.

An examination will complete each of the above courses, at which marks will be given as follows:

	No. of Marks.
Gunnery course -	- 600
Torpedo course -	- 350

Three classes of certificates will be awarded: for a 1st class 525 marks in Gunnery and 315 in Torpedo must be obtained; for a 2nd class 450 in Gunnery and 280 in Torpedo, for a 3rd class 450 in Gunnery and 245 in Torpedo.

An Officer fail to obtain 345 marks in Torpedo and 450 marks in Gunnery, or of his own accord before the completion of either of these courses, the time served in either will only be allowed as sea-time on full pay, although he may have been in receipt of full pay. The fact of passing a good examination will be noted in an Officer's favour.

Officers obtaining a First Class Certificate will be at their Lordships' discretion be placed on a List for appointment to ships, not carrying a Gunnery or Torpedo Lieutenant, for Gunnery and Torpedo duties only, receiving one shilling a day extra pay whilst so employed.

After an absence of 3 years from the Gunnery and Torpedo schools these Officers must requalify if desirous of further appointment in the same capacity. The requalifying course will include 6 weeks in the Torpedo and 1 month in the "Vernon."

Officers will not be in addition to the com-

IV.—*Junior Executive Officers.*

Torpedo instruction is to be regularly imparted to Sub-Lieutenants, Mid-shipmen, and Naval Cadets on sea-going vessels by the Torpedo Lieutenant, and when such an Officer is not borne by the Gunnery Lieutenant, should neither Torpedo nor Gunnery Lieutenant be borne, the Captain is to select for the duty one who has completed a course of instruction in the "Vernon."

The instruction is to comprise an elementary knowledge of electricity, and its practical application to the warfare.

The instruction will not be included in the Mid-shipmen, but will form part of the examination of the Junior Branches, and in the 650 marks now allotted to Gunnery, 350 are given to Torpedo. The result is to be inserted in the S. No. 855.

The certificate of proficiency in Gunnery required from a Midshipman on presenting himself for examination in Seamanship is to contain a statement that he has been instructed in and has a knowledge of Torpedo. This provision is to come into force on the 9 months from the date hereof.

An Acting Sub-Lieutenant, on completing his course at the Royal Naval College, will be granted 3 months' leave, on the expiration of which he will join the "Vernon" for a course of Torpedo Instruction. This course will last one month, and be followed by an examination.

6. If a candidate fails to obtain a certificate in Torpedo he will forfeit one month's seniority, and be again examined at the end of a month. Failure at this second examination will render him liable to discharge from the Service. On completing examination in Torpedo an Acting Sub-Lieutenant will be discharged to the "Excellent" to undergo his Gunnery Course.

7. The full numbers for the Gunnery and Torpedo examination will be 800, of which 600 will be for Gunnery and 200 for Torpedo:

	In Gunnery.	In Torpedo.
For a 1st class certificate an Officer must obtain -	530 -	175
For a 2nd class do. do. -	400 -	150
For a 3rd class do. do. -	400 -	120

V.—*Engineer Officers.*

1. All Engineer Officers, unless circumstances necessitate otherwise, are to undergo a course of instruction in the Whitehead and electric light apparatus.

2. There will be four such courses during the year on board the "Vernon" at dates to be arranged by their Lordships. The length of the course to be about seven weeks.

3. An examination will follow the completion of this course, when a certificate of proficiency must be obtained in both subjects. This examination will be optional in the case of Chief Engineers.

4. Should an Officer fail to pass, the time he has been under instruction will count as half-pay time only, though he will receive full-pay. The fact of passing a good examination will be noted in an Officer's favour.

By command of their Lords-ships,
ROBERT HALL.

To all Commanding Officers, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial consists of some instrument or work of a kind to be practically useful to a Naval Officer.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet, or Staff Surgeons, or Surgeons) who shall produce the most approved journals of their practice "in the form in which they have been kept from day to day" while in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director-General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

11. The hours appropriated for study and lectures are,—

In the morning from 9 till 12.50.
In the afternoon from 2 till 4.

Instruction in connection with Naval Architecture and Marine Engineering, and practical work in the Laboratories for Physics and Chemistry, are continued until 5 p.m.

12. The Class-rooms are closed at noon on Saturdays and, during the Winter, on Wednesday afternoons. Certain Class-rooms are specially left open after stated hours for the convenience of Officers wishing to study in the evenings.

15. At the end of the Session, Certificates are given in two classes, according to the results of the examination.

Officers who obtain First Class Certificates are allowed to return to the College on the ensuing 1st October for a three months' advanced course of instruction in Applied Mathematics and Mechanics, if they elect to do so.

16. Officers qualifying are borne in H.M.S. "Excellent" or H.M.S. "Vernon" for Full Pay during their course of study.

Candidates for Naval Instructorships.

X. *Temporary Provisions.*

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now on those ranks on the Active List:—

1. All Officers to whom, in the following clauses option is given, must signify to Us, in writing, such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed they have elected the new Regulations laid down this scheme.

2. The new scales of full-pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be considered under the old Regulations, will retain their existing rights, except so far as they are expressly varied by these Temporary Provisions; but in that case it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62 of 1875, 21 of 1876, provision was made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights conferred by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and on obtaining in each case Our consent, commute their yearly or retired pay, under the Rules laid down by the Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict., cap. 52.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander previous to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired in accordance under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications as to the latter case, they will be:—

(*a.*) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 66, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed as Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March 1866, will be subject to the following scale of age for retirement when promoted to the rank of Vice-Admiral.

(*b.*) To be retired as soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since they ceased to act as Captain ceased.

(*c.*) When so retired, the names of those who have hoisted their flags, or have been employed on the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1866; but they will not be entitled to rise above the rank of Rear-Admiral Retired Admiral. Their names to be placed supplementary to the established number on the List, and to be printed in italics; and will be ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(*d.*) Flag Officers so retired retain their Good Service Pensions.

(*e.*) It shall be lawful for Her Majesty, in consideration of distinguished service, to confer the rank of Retired Admiral of the Fleet on any Retired Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be above Six Retired Admirals of the Fleet.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1864, and 24th March 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to ri-sing in rank

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank. [Extended as regards Lieutenants by Order in Council 20th November 1879.]

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

***The 4th day of August* 1873.**

Present:

... QUEEN'S most Excellent Majesty in Council.

... Whereas this day read at the Board a Me... of the Right Honourable the Lords Commis... the Admiralty, dated the 1st of August 1873, ... the following, viz.:—

... "Your Majesty's Order in Council of 22nd ... 1870, governing the promotion and retirement ... Officers and others of Your Majesty's Fleet, ... section two appoints as follows:—

... "Officers retired from that rank to be entitled to ... seniority to the rank of Retired Rear-Admiral, ... their retirement they had served the time to ... them for promotion.'

... "And whereas we are of opinion that this condition ... rescinded, we humbly propose to Your Majesty ... the above recited be cancelled, and the follow... substituted:—

... "'Officers who have been, or who may in future be, ... from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea.'"

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers, he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea, Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(*a.*) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'

Digitized by Google

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted :—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions :—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.]

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,

The 4th day of December 1878.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1878, in the words following, viz. :—

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"'Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority.'

"And whereas Your Majesty's subsequent Order in Council of 5th August 1875, with a view to provide temporarily for a more uniform flow of advancement in the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion :—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are in other respects, well qualified for advancement, to be empowered to cancel the before-recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz. :—

"'Flag Officers who have not hoisted their flag as Flag Officers, to be retired at the age of 60.'

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 8.—C.W.

At the Court at Osborne House, Isle of Wight,

The 21st day of July 1870.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1870, in the words following, viz. :—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870 and 4th August 1873, and who, not having the requisite sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1875, Captains are allowed one step in rank, according to seniority, after retirement irrespective of any qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may, at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

...the Court at Osborne House, Isle of Wight, *The 5th day of August* 1875.

Present:

...QUEEN'S most Excellent Majesty in Council.

...there was this day read at the Board a Me... ...the Right Honourable the Lords Commis... ...the Admiralty, dated the third of August, one ... ...hundred and seventy-five, in the words ... viz.:—

...as we have had under our consideration the ... Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.	Total 68.
10 Admirals.	
20 Vice-Admirals.	
35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one or two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to thorank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . .	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such acourse appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,

The 29th day of November 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz.:—

"Whereas we have had under our consideration he effect of Your Majesty's Orders in Council of 22nd February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar condition should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim their respective ranks of Retired Captain, Retired Commander and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service. We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIRING PENSIONS TO CHIEF GUNNERS, CHIEF BOATSWAINS, CHIEF CARPENTERS, AND WARRANT OFFICERS

EXTRACT FROM THE REGULATIONS.

They shall be pensioned at 55 years of age, and at any age, if found unfit for service at sea; and they may, by the permission of the Admiralty, be pensioned, at their own request, at 50 years of age.

The following shall be the scale of Pensions:—

	For each Year's Service, above the Rank of Petty Officer.	Addition for each Year's Service as Seaman or Petty Officer, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.
Chief Gunner " Boatswain " Carpenter	£ s. 5 0	£ s. 1 10	£ 150	£ No fixed Minimum.
Warrant Officers:— Under 10 years	3 10	1 10	120	Under 5 years' service a warrant officer, 50*l*. With 5 years' do. and under 10, 80*l*.
With 10 years	4 0	1 10	130	With 10 years' do. and under 15, 75*l*. With 15 years' service a warrant officer, 85*l*.

Chief and other Gunners, Boatswains, and Carpenters, holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l*. a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1076 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief and other Gunners, Boatswains, and Carpenters may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior service time.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered very grave offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2010.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers,	10	Pensions of 300*l*.	a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion.

Only Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Flag Officers on the Retired List, Medical Officers, and to General Officers of Marines, whether on the Active, Reserved, or Retired Lists; provided in the cases of Flag Officers the retirement has taken place after attaining Flag Rank, and that the retired pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made to coincide, as far as may be, with the principle of pension of 225*l.* a year at 42 years of age.

"13.—All service for the purposes of gratuity, pension and retirements to count from the age of 20, except in the case of Officers who entered the service prior to 1st April 1870, who, under the Order in Council of 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18.

"14.—These Regulations are to take effect from 2 1st October 1877.

"The Lords Commissioners of Your Majesty's Treasury have signified to us their concurrence in the proposals."

HER MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Officers who voluntarily retire from the Service with gratuities, will be held to have forfeited all claim to pension on behalf of their Widows or Compassionate Allowances for their Children.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

Widows of Officers of the Royal Navy, and the Royal Marines may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the Regulations before, and subject to the following regulations.

i. All applications for Pensions, and for Compassionate Allowances, are to be addressed to the Secretary of the Admiralty, for the decision of the Board.

ii. The Pensions of all Widows shall commence from the day of the death in which their Husbands died, application be made by the Widow within Twelve Months from the same, otherwise from the time of such application.

iii. Any Orders in Council increasing Rates of Pensions or Compassionate Allowances, are not retrospective in their operation, and only affect the families of officers who are on the Active List at the date of such Order in Council, or subsequently thereto.

iv. The Pension of a Widow to Pension shall not be granted for *before her death*, the amount of pension to which she would have been entitled if living, shall not be claimed by her representatives.

v. Pensions are authorized by these Regulations cannot be claimed as a *Right*—they are granted as rewards for meritorious and faithful service rendered by deceased Officers, and will only be conferred on persons deserving of the Bounty;—the *ordinary* Pension will be restricted to Widows whose private incomes may be within a confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank beyond which the Pensions are liable to be discontinued in the case of any misconduct rendering the Widow receiving them unworthy of the Public Bounty.

vi. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—If her husband, being a Commissioned Officer, died under the age of Sixty Years,—or, being a Chief Boatswain, or Carpenter, or Warrant Officer, under the age of Fifty Years; except such as had retired prior to 30th June, 1830, or who were on the List *A* Chief or other Gunners, Boatswains, Carpenters on 1st October 1875, or subsequently promoted to, in whose case the limit of age is sixty.

vii. If her husband, being capable of service, had, at his own request, been exempted from serving, when required, provided he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

viii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

ix. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

x. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

xi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

xii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

xiii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations,—notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given or a Decrect of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion award a Pension notwithstanding, provided the service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer as last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 2 as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with Ships of friends by mistake, or in quelling disorders on shore or afloat; and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

1. To a Widow, a Gratuity equal to a year's Full Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor of the age of twenty-one at the time of the father's death) one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, exclusive of Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters only. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in these cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shewn that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers shall be continued until they attain the *Age of Eighteen*, unless are otherwise previously provided for; and these Allowances to *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support, and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Widows have been refused Pensions on account of prize money, come, are considered ineligible for Compassionate Allowances under ordinary circumstances.

31. In the event of a Widow re-marrying, her Children [illegible] marriage are still eligible for Compassionate [illegible], provided they are otherwise qualified to [illegible] the [illegible].

32. Compassionate Allowances are granted for the year [illegible] 1st January, but are not payable till after [illegible] 1st April.

33. Children who were born after their Fathers com[illegible] Retired Pay, are not eligible to be placed on [illegible] List.

34. The aggregate amount of the Allowances to the [illegible] Officer shall not exceed, in ordinary cases, [illegible] Half-Pay of his Rank and Standing at [illegible] death. In the case of an Officer whose [illegible] attributable to the Service, the aggregate amount [illegible] to his Family shall not exceed 100*l.* a [illegible] the amount of the Half-Pay of his Rank [illegible] at the time of his death.

35. Where an Officer is killed in action, or [illegible] on duty, or dies of wounds or injuries [illegible] within six months after being injured, [illegible] Widow nor legitimate child, but leaves a [illegible] Widow in distressed circumstances, and [illegible] upon him, the Mother shall receive a [illegible] the *ordinary* rate of Widow's Pension [illegible] rank which her Son held at the time of [illegible] and such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

The Deferred Pension of Marines gives no claim to the Age Pension.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the [illegible] day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Statute set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, and of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Piratical Vessels, and of the Rewards connected therewith, as also of the Awards for all Salvage services to Ships and Vessels of War, and otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in connection with certain Alterations in the Apportionment and Distribution of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies which may be granted to be shared among the Officers and Crews of Our Ships and Vessels in the Manner of Prize Money:

We, therefore, now make known to all our loving Subjects, as well as to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize or assistant to the captor, shall be alone entitled to be joint captors, and that the distribution of all the net proceeds of prizes, rewards, allowances, salvage and all bounties and grants whatsoever distributable to Our Royal Navy in the manner of prize money, shall be made as follows: Videlicet—

The flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, as aforesaid, made by any of the ships or vessels under their command, and of the rewards granted for the same, according to the following conditions, qualifications, and except as hereinafter mentioned, that is to say—

If there is but one flag officer he shall have the whole thirtieth part; when two flag officers shall be together, the chief shall have two-thirds, and the junior shall have the remaining one-third of the thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the thirtieth part, and the remaining half shall be divided among the junior flag officers; commodores, captains and captains of the fleet to share as hereinafter provided always, That no flag officer, actually on board any of Our ships or vessels of war at the actual taking, sinking, burning, or destroying any ship or ships of war, privateer or vessel belonging to the enemy, shall share in the whole of any head money or bounty money granted for the taking, sinking, burning, or otherwise destroying such ship or vessel of the enemy.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commanders-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners for the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station which circumstance is always

Vessels, at any Rate, or for any other Purpose, ... by any other Person or Persons, or in any other ... Proportions than as aforesaid, shall be and ... are hereby declared to be utterly void. And ... in pursuance of the Powers so vested in His ..., his Heirs and Successors, by this Our Royal ... mation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board his said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

(Here insert Bill of Lading in the usual Form.)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages shall be as follows, viz.:—

[*For Rates see Proclamation dated* 23 *April* 1831, *page* 556.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the provisos hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book an Engagement in Writing in Form or to the Effect following:

I, *A. B.*, am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and In Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, or such Captain or Officer commanding shall be under the Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share thereof, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any Person interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty or any Three of them, as to such Division or Distribution shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to enter into the Service of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than as established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Points to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*, One Thousand Eight Hundred and Fifteen, in the Fifty-ninth Year of His Majesty's Reign.

Admiralty, 4th June 1817.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit shall be paid as if such deposit were a conveyance from one port to another within the same station, and subdivided (where it has been on board more than one of His Majesty's ships) among the Captains, as for a conveyance would have been;—in all cases the Greenwich Hospital is to have a share; and where, after such *deposit*, new bills of lading, or new orders for receipt, either on board another ship or the same ship, are made, the freight established for such conveyance

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's* this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

GREENWICH HOSPITAL. PROPORTION OF FREIGHTAGE FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.

1. The returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, are to be forwarded to the Accountant-General of the Navy instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July 1819.

2. The half-yearly returns from the Commanders-in-Chief are to be sent, as heretofore, to the Secretary of the Admiralty, to be forwarded to the Accountant-General of the Navy.

3. The Commanding Officers of H.M. Ships upon the receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital to the Paymasters of their respective ships, who are to debit themselves in their Public Cash Accounts under the head of "Freightage on Treasure due to Greenwich Hospital," treating the same as part of their public cash available for their contingent payments, and transmitting vouchers with their cash accounts, descriptive of the sums received, in order that these transactions may be duly examined in the Department of the Accountant-General, and the amounts paid over to the credit of the "Greenwich Hospital Income Account."

4. The Correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

ENTRY AND DISCHARGE OF PETTY OFFICERS, SEAMEN, AND MARINES.

EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.

Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz.:—
Commanding Officers of Training Ships.
Captains of all District Ships.
Commanders of Drill Ships.
Captains of the Flag Ships at Sheerness and Queenstown.
Commanding Officer of the "Nankin" at Pembroke Dock.

Boys may be provisionally entered by Officers of the Coast Guard, the Recruiting Officers of Marines at Birmingham, Bristol, Cambridge, Derby, Edinburgh, Exeter, Gloucester, Greenock, Hull, Wakefield, Liverpool, *London, Reading, Salisbury, Taunton, and any other Officers specially authorised by their Lordships, sending them to the nearest District or Training Ship to be there finally entered.

Every Boy previous to being entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 10½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

	Height (without shoes).	Measurement round the Chest.
Boys between 15 and 15½	5 ft.	30 ins.
,, ,, 15½ ,, 16	5 ft. 1 in.	30½ ins.
,, ,, 16 ,, 16½	5 ft. 3½ ins.	32½ ins.

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years Continuous Service from the age of 18.

Boys are not to be received from Reformatories or Prisons.

The Examining Officers on board a District Ship will be the Captain or Commander, a Lieutenant or Navigating Lieutenant, and a Medical Officer; on board a Training Ship, the Commander (or in his absence an Officer of that rank to be appointed by the Commander-in-Chief), a Lieutenant or Navigating Lieutenant, and a Medical Officer, when, however, a Boy has been already passed by a *Naval Medical Officer*, he is not to be medically examined a second time, unless the Commanding Officer of the Training Ship to which he is sent shall think it necessary, and in such case the Boy is to be examined by a Board of three Medical Officers. The Medical Examination is, in all cases, to be conducted as laid down in the Regulations.

If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness to sign his engagement, and to be entered on the books of the Ship.

The Examining Officers will also fill up the Form and Certificate attached to the engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

Particulars can be obtained on application, by letter or otherwise, to the Captains of District or Training Ships or other Officers empowered to raise boys.

FULL-PAY LEAVE OF OFFICERS AFTER FOREIGN SERVICE.

Queen's Regulations, Article 1279.

My Lords Commissioners of the Admiralty are pleased, under the authority of Her Majesty's Order in Council of the 18th May last, to issue the following Regulations, for the purpose of rendering the award of full-pay leave, after foreign service, more uniform and consistent than at present:—

"1. The following scale of full-pay leave is to be substituted for that now in force, no alteration being made as regards the ranks and classes of officers to whom leave is granted:

"For every complete six months service abroad, provided the absence has not been less than one year - - one week.

"For every month served beyond the last period of six months - - one day.

"This scale to extend to a period of five years absence from England.

Officers serving abroad, who have official residences allotted to them, or are in receipt of allowance for house rent, and whose appointments are subsequent to the date of the Order in Council of the 18th May 1881, are not to be allowed full-pay leave after foreign service, whether borne on ships' books or not.

"4. The new scale, referred to in paragraph 1, is to come into operation on the 18th day of May 1882; paragraphs 2 and 3 will come into effect at once.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Private of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

The Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court of Windsor,
the 1st day of March 1864.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of such number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy, and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, herein-after called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

Persons wishing to form a Corps to form part of a Brigade of Royal Naval Artillery Volunteers should place themselves in communication with the Secretary of the Admiralty.

The formation of a new Corps will not be sanctioned unless a sufficient number of persons to form a Battery are prepared to enroll themselves, and whilst any Battery already existing in the locality is below its establishment.

In offering the services of a new Corps for acceptance, it should be stated :—

(*a*) The place proposed for its head-quarters.

(*b*) The number of persons who are prepared to enrol themselves.

(*c*) The name and address of some person with whom communications on the subject may be made.

(*d*) The Brigade of which it will form a part.

(*e*) That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.

The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1859.

Officers of the Royal Naval Artillery Volunteers rank with, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.

All Officers of the Royal Navy Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

If any person recommended for an appointment as an Officer holds a commission in the Royal Navy or other Force, the nature of such commission should be stated in the letter of recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man, as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

Every Volunteer must attend at least two drills a month until he has obtained the standard of an "Efficient."

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

No such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field, and he shall have been actually and entirely employed in Her Majesty's dominions, in the Service of such Sovereign by whom the Order is conferred.

2. When the intention of a Foreign Sovereign to confer any Order upon a Subject the Insignia of an Order, must be communicated to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister resident at the Court of such Foreign Sovereign, or through the Minister accredited at the Court of Her Majesty.

3. When the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not more than two years after the exchange of the Ratifications of the Treaty of Peace.

When the service has been performed in time of Peace, such Notification must be made within two years after the performance of such service.

4. Before such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions of Clause 3 of the present Regulations, and arises from Naval or Military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being given.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were

bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870. CLARENDON.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall have been performed in sight of a Commanding Officer, as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and the Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmit-

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

And whereas, a Warrant was given under Our Royal Sign Manual, bearing date the 30th day of April 1877, in the 40th year of Our reign, intituled a "Warrant extending the two Decorations styled respectively 'The Albert Medal of the First Class' and 'The Albert Medal of the Second Class' to cases of Gallantry in saving life on land;"

And whereas in the said Warrant dated the 12th April 1867, it is ordained that the award of "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life at Sea," shall be made only on a recommendation to Us by the President of the Board of Trade;

And whereas, in the said Warrant dated the 30th April 1877, it is ordained that the award of "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life on Land," shall be made only on a recommendation to Us by the First Lord of Our Treasury;

And whereas it seems to Us expedient to amend the said Warrants, dated respectively the 12th April 1867 and 30th April 1877, in so far as relates to the Rules therein established respecting the recommendations that shall be made to Us for the award of the said Medals; We are hereby graciously pleased to make, ordain, and establish the following Rule and Ordinance respecting such recommendations, which shall, from henceforth, be inviolably observed and kept;

It is ordained that the Award of either of the Medals, styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class," shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department;

Provided always, that the preliminary steps and inquiry concerning the Award of the Albert Medals, severally inscribed "For Gallantry in Saving Life at Sea," be as heretofore with the President of the Board of Trade.

FLEET CIRCULAR No. 12.—C.

Admiralty, 22nd April 1880.

GOOD CONDUCT MEDALS AND GRATUITIES.

WITH reference to Articles 676 and 1,137 of the Queen's Regulations and Admiralty Instructions, defining the

qualifications for which the character of Exemplary should be awarded, my Lords have received various representations from Captains of Her Majesty's ships relative to the difficulty they experience in awarding this character, which by the present regulations is to be confined to men whose "conduct, smartness, and "general manner of deporting themselves and conducting their various duties have been such as to "fully warrant their being held up as examples worthy "of imitation."

2. My Lords, having given the subject much careful consideration, do not see any sufficient reason for discontinuing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to having earned the character of Very Good, have so departed themselves as to be considered, both on account of their conduct and the manner in which they have performed their duties, as examples worthy of imitation.

3. My Lords have, however, determined that for the future the grant of the Good Conduct Medal and Gratuity shall no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered as rendering a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with greater care and discrimination than has often hitherto been the case.

4. On a man being sentenced to punishment by Court Martial, or summarily awarded—

Corporal Punishment.

Imprisonment; if by Civil Power *see* Article 30, Addenda 1880.

Disrating or reduction to a lower rating or rank.

Deprivation of Good Conduct Medal or Badge.

Confinement in Cells, or

Reduction to below the Privilege Leave List,

his character will, under the accompanying regulations, be necessarily recorded below Very Good, and therefore the required continuity of Very Good for Medal or Gratuity purposes will always in such cases be broken.

5. Ten years of continuous Very Good character will render a man *eligible* for a Medal, and fifteen years of continuous Very Good character for a Gratuity, provided in each case he has been recommended for the last three years, subject to the provisions of the enclosed amended Articles 676, 723, and 1,137, of the Queen's Regulations, 1879.

6. To *entitle* a Man to the Medal:—

(*a.*) He must have been recommended for it on his Certificate for three consecutive years;

(*b.*) He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service,

7. To *entitle* a Man to the Gratuity:—

(*a.*) He must have been awarded the Medal and have never forfeited it;

(*b.*) He must have been recommended for it on his Certificate for three last consecutive years;

(*c.*) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary;"

(*d.*) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.

8. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended," or "Gratuity recommended," should be entered on the men's certificates accordingly, whenever the character and are required to be recorded on them; the additional words are also to be noted in the Ledger and in the Service and Conduct Book.

9. In noting recommendations for Medals and Gratuities on the Certificates, it is to be understood that the fact of men being *eligible* by previous notations on their certificates does not make it imperative for Captains to recommend them. Invariable Very Good Conduct and the satisfactory manner in which their duty is performed are to be the only guide.

10. Exemplary will for Medal and Gratuity purposes be equivalent to Very Good.

11. No change is made in the Regulations reserving to the Admiralty the right of dealing exceptionally with the cases of men who have distinguished themselves in action or otherwise, or of men who have 15 years of continuous Very Good character.

12. The changes indicated above are applicable to the Coast Guard and also to the Royal Marines Ashore Afloat.

13. The enclosed amended Articles 676, 723, and are to be substituted for the present Articles and so numbered in the Queen's Regulations, 18 which are to be considered as cancelled when rules come into operation, as is also clause 9 of 099.

14. Time served by men who, after completi for pension, re-engage under the provisions of Art of the Addenda, 1880, will reckon for the Me Gratuity, but the award of the Medal after t pletion of such time will not count towards t Pension.

TEMPORARY PROVISION.

15. Awards of character under the existing tions are to be made to the 30th June next, and no character of Very Good awarded betw July 1876 and that date is to be considered as va Medal and Gratuity purposes.

By Command of their Lordships,

ROBERT

To the respective Commanders-in-Chief, &c.

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. Certificates.—Ships' Company.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

a. Exemplary:
b. Very good:
c. Good:
d. Fair, or passable:
e. Indifferent:
f. Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period, but without regard to their former history, so deported themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the Service.

6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the defaulters' book and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in apportioning the character.

7. On a man being punished by sentence of Court-martial or summarily awarded—

a. Corporal punishment:
b. Imprisonment:
c. Disrating or reduction:
d. Deprivation of Good Conduct Medal or Badge:
e. Reduction to the Second Class for Conduct:

f. Reduction to a lower class for leave than the privilege leave list; or if he commits any offence for which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence for which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above Good for that period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be re-

Digitized by Google

corded upon his Certificate by the Captain in his own handwriting, with his initials, on the 31st December of each year, and under his signature on the final discharge of the man or boy from the ship, as well as on all other occasions when specially required. Whenever from the length of time the ship is in commission, or from other causes, the form requires it, a fresh line is to be commenced on the certificate, and the necessary additions made.

10. The conduct of each man or boy borne as a Supernumerary for more than three months is to be noted in red ink on his certificate, but if so borne for less than three months his conduct is to be noted on the Transfer List, as a guide to the award of character on Certificate at the proper time.

11. When men borne for less than three months are on passage, or when Supernumeraries are absent on leave, or for other valid causes, notations, such as Passage only and Time only, are to be made on their Certificates when the character is not required to be recorded thereon, and if it follows Very Good or Exemplary, such time will be considered as Very Good or Exemplary accordingly, as the case may be, in the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be regarded as continuous in such cases. The same principle will also apply in all other cases of men borne for time only as to their previous character being regarded as continuous in the absence of notations to the contrary.

12. In the event of a man misconducting himself while in hospital, a report is to be made by the Principal Medical Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

13. All time during which a Supernumerary is borne for passage home, if entitled to pay, is to be shown on his Certificate, as well as his character.

14. The characters so recorded are, on these several occasions, to be read to the men by the Divisional or the Marine Officer, as the case may be.

15. Should the Captain give up command at a broken period of the Commission, exceeding three months from the commencement of the year, he is invariably to fill up and initial the men's Certificates; if within the three months, he is only to fill up and initial the Certificates of the men whose characters have undergone a change since the last record on their Certificates.

16. Whenever a Good Conduct Medal is awarded, suspended, forfeited, or restored, or any Decoration or other Medal granted, or a Good Conduct Badge is awarded or forfeited, the particulars are to be noted on the Certificate, as well as in the Ledger and Service and Conduct Book.

17. The corner of the Certificate is only to be cut off on discharge and when the man's character has been so bad as to render his re-entry into the Navy undesirable; whenever the corner is cut off the fact is to be noted in the Ledger and in the Service and Conduct Book and a report is to be immediately made to the Commander-in-Chief in the form established for discharge with disgrace, which is to be adapted to the case.

18. On no account is any erasure or any alteration relative to the past to be made on the Certificate except with the sanction of the Admiralty; if any error is committed which requires immediate correction, the correction is to be made, without erasure, under the authority of the Captain, and attested by his signature.

19. Certificates will be retained in the offices of the several ships in which the men may be borne or serving, until they are finally discharged the Service; but whenever a man may require it, he is, on application to the Officer of his Division, to be furnished with a copy from the Officer in the established Form.

20. On the death or desertion of any person, a notation to that effect is to be made on the Certificate, which will be transmitted into Office with the Monthly Return.

21. In all questions relative to a man's character the notations made upon his Parchment Certificate are to be considered as conclusive, unless the Certificate shall appear to have been tampered with; in such a case it would be the duty of the Captain, on noticing it, to report immediately the particulars to the Admiralty that reference might be made to the Service and Conduct Book, or to other Records in Office, to clear up the matter, and, on the result being communicated, the Captain will note it upon the Certificate and attest it with his signature, and also make notations to the same effect in the Service and Conduct Book.

It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service reckoning for Pension, in which case he may retain it.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on their being recommended for Pension.

25. In the case of a man who has joined the Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however, to the rules as to 10 consecutive years of Very Good or Exemplary character.

26. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service on the 1st July 1870, time served before that date, with Very Good character, will be allowed to reckon for the Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered Very Good under these Regulations.

28. Between the 1st July 1870 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

MARINES' CERTIFICATES.

With reference to Art. 1,125, Marines' Certificates are to be filled up in accordance with the amended Art. 723, in so far as its provisions can be made applicable to them.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. *Colonies which offer Privileges.*

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. *Officers entitled to Privileges.*

The Officers to whom such privileges are offered are (*a*) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (*c*) Regimental staff Officers; and (*d*) Medical Officers of both Services, of not less than five years' standing.

3. *Officers not entitled to Privileges.*

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. *Nature and Extent of Privileges.*

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1865.

5. *Memorandum of Rank and Service.*

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, and a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service and date of retirement. This document will not be issued more than once to the same officer; and it must within one year from the date of the Officer's retirement be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. *Location Ticket.*

As the sole object of the Regulations is to ensure a *bonâ fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. *Crown Grant.*

At the expiration of two years from the date of the Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bonâ fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed by general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. *Lapse of Claim of Crown Grant not applied for in time.*

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve month from the expiration of the two years for which it was issued, the Officer's claim will be considered extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferable until Grant issued.*

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to issue the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of the regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be given upon the Crown lands in the Colony.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING: which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever.

During the last thirty years the BONUS has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will *completely extinguish all future Premiums payable under the Policy.*

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, *not subject to increase on their being ordered abroad or residing whilst in either of those Services in any part of the world.*

The following are the Whole-world Rates for an Assurance of 100*l.* on the life of a **Naval Officer**, exclusive, however, of the risk incurred in actual warfare.
